

George Gilbert started the meeting by saying “This year our Theme is “Family” Regardless of their origins, the significance of our traditions and family are powerful. They give us a sense of belonging, a sense of prediction, a sense of order like no other. I look at EDC as being my Family. For me - it has been 42 years. EDC has many traditions – Employee Meetings – Drawings – Repeat Customers- Celebrating tenure and safe driving – years of excellent service – long term employees – Branch Awards. This meeting is a Tradition that has been going for nearly 40 years. Some of you are first timers – welcome to our family and enjoy some of our traditions today. This is a Family gathering of the EDC Family. Enjoy as we celebrate the accomplishment of 2018.
